Dear Programme Officer

Re: Curraghinalt Project (Dalradian) - Public Local Inquiry – Mid Inquiry Meeting

Thank you for your letter of 12 March 2025. Further to the department furnishing the commission with information with regard transboundary consultation with another EEA State in advance of the 11 March 2025, you are aware and note that the Department of Housing, Local Government and Heritage Ireland has advised that the public consultation period is from Wednesday 26 February 2025 to Wednesday 23 April 2025.

Given the consultation period will not end until 23 April 2025 it is recognised that the commissions suggested date of 26 March 2025 for a mid-inquiry meeting would appear premature.

Given the need to allow citizens in the south of Ireland opportunity to have their say and express their views on the project prior to the resumption of the public local inquiry, the department will collate all representations received post the close of the consultation period and furnish the commission with these thereafter.
