Curraghinalt Mine, Gortin

October 2025

Developments within a c.15km radius of the proposed infrastructure site

1. The below tables (Table 1; Table 2; and Table 3) are an update and continuation of *Table 9.2: Proposed New Development within 5km of Proposed Infrastructure Site and Table 9.3: Developments Considered Further in the Cumulative Impact Assessment*, set out within Chapter 9 of the 2017 Environmental Statement (ES). An ongoing desk-based exercise has been undertaken which has involved the monitoring of planning applications related to wind turbine developments, extractive industry developments, and all other deemed relevant developments, within a c.15km radius of the proposed infrastructure site. The status of each of these applications, with respect to their approval and subsequent commencement, is identified, where applicable.

Table 1: Proposed wind farm developments within c.15km of the proposed infrastructure site¹

Wind Farm (Planning Application Reference)	Location	No. of Turbines	Status	Commenced/ Completed
Crockdun - K/2006/0074/F (Refer also to K/2014/0328/F for amended description and plans)	214 Loughmacrory Road, Crockdun, Omagh, Co. Tyrone	5	Granted 13 Sept 10	Yes
