

Notification of Determination That Proposed Flood Alleviation Scheme Is Not Likely To Have Significant Effects On The Environment

Newry, Co. Down Flood Alleviation Scheme, Stage One

The Department for Infrastructure hereby gives notice, in pursuance of Article 12A of the Drainage (Northern Ireland) Order 1973 (as amended) that it proposes to carry out a flood alleviation scheme on the existing Armagh Road Drain, Downshire Stream, Derrybeg River and Knox-Pebbles Drain.

The purpose of the scheme is to protect properties located at Armagh Road, Downshire Road, Belfast Road, Craigmore Road, Chancellors Road and Greenbank Industrial Estate, Newry, from flooding. The proposed works will include: upgrading sections of the existing Armagh Road Drain, upgrading the existing Downshire stream culvert, construction of a flood defence wall on Armagh Road Drain, construction of a flood defence on both sides of the Derrybeg river bank, adjacent to Chancellor's road, installation of a new culvert at Upper Edward Street, construction of two flood defence walls along Knox-Pebbles Drain bank at Greenbank Industrial estate

This map refers to the Downshire Stream Culvert and the proposed work consists of 75m of flood defence wall and upgrading of the culvert.

Having taken account of the characteristics of the works in the proposed scheme, their locations and potential impacts, the Department considers the proposed scheme is not likely to have significant environmental effects and does not intend to prepare an Environmental Statement.

A copy of the proposed scheme will be available for inspection at the addresses below, from 12 September 2019 to 12 October 2019, during normal opening hours:

- Sean Hollywood Arts Centre, 1A Bank Parade, Newry BT35 6HP
- DfI Rivers Lisburn, Ravannet House, Altona Road, Lisburn, BT27 5GB

It can also be viewed on the Department for Infrastructure website at www.infrastructure-ni.gov.uk/consultations/

In accordance with Article 12A (4), representations may be made in writing to the Department in relation to the likely environmental effects of the proposed scheme.

Also, in accordance with Article 12A (4), any person who considers that their interests will be prejudicially affected by the proposed scheme may make representations to the Department at the address given below.

The closing date for receipt of representations is 12 October 2019.

Any representations should be sent to: - Tommy O'Neill, DfI Rivers HQ, 49 Tullywiggan Road, Loughry, Cookstown, BT80 8SG

Key

- Existing culvert (Option to increase size)
- Watercourse/Channel
