The Consultation Process

Q.3: Do you feel this consultation process has enhanced your understanding of the proposed Tillysburn Park & Ride?

YES NO

If no, please state the reasons why below (continue on separate page as necessary):

The Departmental Policy Statement: The Freedom of Information Act provides the public with the right to request access to information held by the Department. This includes information provided in response to consultations. On completion of this consultation process, the Department may publish a summary of – or receive a request for – responses made. In that case, your response (including your name), and all other responses to the consultation, may be disclosed. Equally, the Department may decide that any/all information provided by those responding to a consultation should be treated confidentially. You should therefore not assume that any information provided by you will not be released. If you do not wish information about your identity to be made public please advise us in your response stating the reasons why. This will be taken into consideration but is no guarantee of confidentiality. An automatic confidentiality disclaimer generated by your IT system will not, in itself, be regarded as binding on the Department. For further information about the confidentiality of responses please contact the Information Commissioner's Office (or see website at: www.ico.gov.uk).

Departmental Personal information Statement: The personal information you provide on this form will be processed by the Department's Roads Service Eastern Division for the purposes of managing and operating the consultation on the York Street Interchange proposals. The Department may use non-personal statistical data collected to analyse current and plan future uses of the consultation on the York Street Interchange proposals. The Department may also use personal data collected to investigate cases of fraudulent use.

Q.4: Please outline any other issues, ideas or views on the proposed Tillysburn Park & Ride (continue on separate page as necessary).

If you wish to send us further comments about the proposed scheme please email/write to the addresses provided above. The feedback received during this consultation will be reviewed and where applicable will feed into the final design process. Thereafter, the Department may submit a planning application to Belfast City Council for planning approval.

Note: Any comments you make to us during this process are not representations to the Planning Authority. If a planning application is subsequently submitted normal neighbourhood notification and publicity will be undertaken and you will have the opportunity to make further representations regarding the proposal at that time.
