

FOI Request (received 18 November 2021) - Reference: DFI/2021-0415

As per my records, the Mott MacDonald contract for the provision of Intelligent Transport Systems consultancy support, including management and support for TrafficwatchNI, has expired. Can you please confirm whether this contract is extended or replaced by any other supplier? If so please provide the full information.

Response (issued 23 November 2021)

Thank you for your e-mail which was received on 18th November at 12:43 requesting information about the Mott MacDonald Contract.

The Mott MacDonald contract for the provision of Intelligent Transport Systems consultancy support and which includes the management and hosting of the TrafficWatchNI website was extended by 1 year from 01 November 2021 to 31 October 2022.

The extension was procured by means of a modification to the existing contract to allow time for the procurement of a replacement contract as this work was delayed due to the COVID pandemic.
